of 1 March 1980

### *The Security Council.*

*Taking note* of the reports of the Security Council Commission established under resolution 446 (1979) to examine the situation relating to settlements in the Arab territories occupied since 1967, including Jerusalem, contained in documents S/13450 and Corr. 1 and Add.1<sup>18</sup> and S/13679,<sup>19</sup>

*Taking note also* of letters from the Permanent Representative of Jordan<sup>20</sup> and the Permanent Representative of Morocco, Chairman of the Islamic Group.<sup>21</sup>

*Strongly deploring* the refusal by Israel to co-operate with the Commission and regretting its formal rejection of resolutions 446 (1979) and 452 (1979),

*Affirming once more* that the Geneva Convention relative to the Protection of Civilian Persons in Time of War, of 12 August 1949,<sup>22</sup> is applicable to the Arab territories occupied by Israel since 1967, including Jerusalem,

*Deploring* the decision of the Government of Israel officially to support Israeli settlements in the Palestinian and other Arab territories occupied since 1967.

*Deeply concerned* by the practices of the Israeli authorities in implementing that settlements policy in the occupied Arab territories, including Jerusalem, and its consequences for the local Arab and Palestinian population,

*Taking into account* the need to consider measures for the impartial protection of private and public land and property, and water resources,

*Bearing in mind* the specific status of Jerusalem and, in particular, the need to protect and preserve the unique spiritual and religious dimension of the Holy Places in the city,

*Drawing attention* to the grave consequences which the settlements policy is bound to have on any attempt to reach a comprehensive, just and lasting peace in the Middle East,

*Recalling* pertinent Security Council resolutions, specifically resolutions 237 (1967), 252 (1968), 267 (1969), 271 (1969) and 298 (1971), as well as the consensus statement made by the President of the Council on 11 November 1976,<sup>23</sup>

*Having invited* Mr. Fahd Qawasma, Mayor of Al-Khalil (Hebron), in the occupied territory, to supply it with information pursuant to rule 39 of the provisional rules of procedure,

2. *Accepts* the conclusions and recommendations contained in the report of the Commission;

3. *Calls upon* all parties, particularly the Government of Israel, to co-operate with the Commission;

4. *Strongly deplores* the decision of Israel to prohibit the free travel of Mayor Fahd Qawasma in order to appear before the Security Council and requests Israel to permit his free travel to United Nations Headquarters for that purpose;

5. *Determines* that all measures taken by Israel to change the physical character, demographic composition, institutional structure or status of the Palestinian and other Arab territories occupied since 1967, including Jerusalem, or any part thereof have no legal validity and that Israel's policy and practices of settling parts of its population and new immigrants in those territories constitute a flagrant violation of the Geneva Convention relative to the Protection of Civilian Persons in Time of War and also constitute a serious obstruction to achieving a comprehensive, just and lasting peace in the Middle East;

6. *Strongly deplores* the continuation and persistence of Israel in pursuing those policies and practices and calls upon the Government and people of Israel to rescind those measures, to dismantle the existing settlements and in particular to cease, on an urgent basis, the establishment, construction and planning of settlements in the Arab territories occupied since 1967, including Jerusalem;

7. *Calls upon* all States not to provide Israel with any assistance to be used specifically in connexion with settlements in the occupied territories;

8. *Requests* the Commission to continue to examine the situation relating to settlements in the Arab territories occupied since 1967, including Jerusalem, to investigate the reported serious depletion of natural resources, particularly the water resources, with a view to ensuring the protection of those important natural resources of the territories under occupation, and to keep under close scrutiny the implementation of the present resolution;

9. *Requests* the Commission to report to the Security Council before 1 September 1980 and decides to convene at the earliest possible date thereafter in order to consider the report and the full implementation of the present resolution.

*Adopted unanimously at the 2203rd meeting.*
